Virtual Classroom: The courses are given entirely online. They are carried out through our virtual campus which can be accessed from the home page of our website, www.futbollab.com, by clicking on the button [Access to the Virtual Classroom](#). From there, you will be able to access syllabuses, explanatory presentations, demonstration videos, teacher analysis, and assignments sent and corrected by the teachers.

Tutors: The teachers offer continuous tutoring, establishing telephone and/or video conference tutorials explaining the doubts you may have. They guide your learning evolution throughout the course, depending on your profile and level of dedication or study schedule. As we have indicated, the syllabus, videos, articles, interviews with experts... are part of your evolution in the course, so you will carry out periodic exercises that the teacher corrects to give you the clearest idea of the subject you are working on.

Evaluation: At the end of the course you will carry out a final project that will include all the studied areas and that will always imply the development of a real case, since from FutbolLab we want that our courses at any moment go directed to the real situation of training that the technicians are in their teams.

Registration process: To register you only have to click on the tab of Register, from there you will be asked to introduce your personal data necessary for the academic record and in the final part of the process you will be able to choose the payment format of this program.
