PRESENTATION

Master in Grassroots Football Director and Head of Quarries

Master's Degree in Youth Soccer Director and Youth Team Manager With the Course "Master Coach in Youth Soccer and Youth Team Management (Universidad Católica de Ávila)" we will learn to use the fundamentals of Soccer from the grassroots and we will evolve theory and practice as we go up of categories. The first categories must have a strong theoretical base to learn the sport and understand how to apply them to their game. In higher categories, all that theory is put into practice and technical exercises are carried out to apply them later in the matches.

FutbolLab

OBJECTIVES

- We will learn everything necessary to lead the sports management of a club.
- We will know how to manage young talent, and we will manage the academies with the necessary efficiency for the growth of our club.
- We will be able to analyze the game to focus on the profiles necessary for the progression of our quarry.
- Technology will be a vital part of our model, in these times it is essential, and we will provide the necessary knowledge to the specialist for its use and exploitation.
- The direction of groups will be vital to be able to evolve in our leadership figure and we will show you how to focus this discipline to be the most productive possible.

More information in the "**Assessment**" section on page 13 of this Master's program.

METHODOLOGY

STUDENT'S AUTONOMOUS WORK

INDIVIDUAL SELF-EMPLOYMENT ACTIVITIES

Individual work of the materials used in the subjects, although supported by the resolution of doubts and construction of knowledge through a forum enabled for these purposes.

This activity will be the ***basis for the development of debates, problem solving, etc.***

PRACTICAL APPLICATION ACTIVITIES

It includes ***individual*** work in problem solving, project development and similar activities that allow ***applying the conceptual, procedural and attitudinal aspects worked on in the other parts of the subject.***

CRITICAL READING, ANALYSIS AND RESEARCH

These are activities in which the student approaches the different fields of study with a critical eye that allows an approach to research.

Examples include book reviews or article reviews and research projects.

EVALUATION

The student chooses the following evaluation system, according to their personal situation and training needs:

Continuous evaluation + TFM

- 60% of the final grade is obtained through the activities that are proposed during the course and that will be assessed in "continuous evaluation"; the performance by the student of these activities will be subject to a verification check by the teachers. The remaining 40% of the final grade will be obtained from the
- Master's Final Project (TFM) that will be done at the end of the course.

The final project will encompass all the areas studied and will always involve the development of a real case, since at **FutbolLab** we want our courses to be aimed at the real training situation that technicians find in their teams at all times.

EVALUATION

VIRTUAL CLASSROOM

The course is taught entirely online. They will be carried out through our virtual campus that is accessed from the official Futbollab website (www.futbollab.com).

From there you can enter agendas, explanatory presentations, demonstration videos, analysis of the teachers, tasks that are sent to you and corrected by teachers.

TUTORS

The teachers offer **continuous tutoring**, establishing telephone and/or videoconference tutoring, explaining any doubts that may arise. They guide your training evolution throughout the course, depending on your profile and level of dedication or study schedule.

As we have indicated, the syllabus, videos, articles, interviews with experts are part of your evolution in the course, so you will carry out periodic exercises that the teacher corrects to give you the clearest idea of the topic that is being worked on.

REGISTRATION PROCESS

To enroll you just have to click on the **Enroll** tab, from there you will be asked to enter your personal data necessary for the academic record and in the final part of the process you will be able to choose the payment format for this program.

Remind you that in this course you can go at your own pace and do it according to your availability, as long as you do not exceed the maximum time to do it, which in the case of master's degrees is **2 years**.

But, if you still need more time, you must request authorization from the admissions department to extend a time, in the event that you obtain a positive response, the new agreed time will be automatically extended.

FutbolLab
